

The Gingerbread Learning Center

- This year, our graduation ceremony will be held in August, at the end of our summer school program, instead of our usual ceremony in June. Our 6 week summer program will be held from Monday July 8 through Friday August 16. The children will continue the same programs and services as they received throughout the school year, with the continuation of bus service, and a little extra splash of summer fun!
- Spring has Sprung in Gingerbread! The classrooms are busy planting flowers, decorating butterflies with egg cartons and glitter, painting suns, learning about the 5 senses, creating books of “The Very Hungry Caterpillar” and learning about bugs. The children are playing outside in the backyard play area on the warmer days and are all geared up for spring.
